

About Us

A great local family run business, Car and Commercial garage is run by Husband and Wife team Ian and Jane Lake. Over the years, the business has been built up through hard work and making sure the customer is looked after at every step. We at Car and Commercial are part of the Good Garage scheme which means we have to keep to the strict policy the good garage scheme run. This means a better result for you, our customers. All the fully trained staff at Car and Commercial are very helpful and will do anything to fit your vehical in for repair or conversion. The team consists of Husband and Wife Ian and Jane, 2 fully qualified technicians and 2 apprentices. Please feel free to phone us with any questions on 01395 225885 where any member of our team will be willing to help. Our highly trained team can perform MOT's - Tyres - Repair - Engine Testing - Servicing - Bodywork - Conversions and more... We also offer a pick up and drop of service Special Offers! From time to time, we offer special offers for all our customers, please watch this space for our next promotional offer.
